WINDOWS AND DOORS AT [REDACTED]

We would like to take this opportunity to express how delighted we are with the doors blinds and windows you have supplied and fitted to our new extension this summer.

The result is truly exceptional and has really enhanced the whole appearance of the new rooms. The feature apex windows are particularly stunning and we are very pleased with the effect of the blinds inside the glazing.

Secondly we would also like to mention your fitting team, especially Kevin and Marcus who have done an excellent job. They were very courteous and their work is exemplary.

We would not hesitate to recommend Crystal Clear's services and will do so whenever we have an opportunity.

*Thank you,
Yours sincerely*
